

**FOR IMMEDIATE RELEASE**

## **Keynote Speakers Revealed for Select HR Tech 2020**

*Two major Keynote presentations featuring Jason Averbrook, Vinny Mirchandani and Brian Sommer revealed for newest HR technology conference in Las Vegas.*

**PALM BEACH GARDENS, Fla. – January 30, 2020 –** The **Select HR Technology Conference** announced today its two Keynote presentations featuring Jason Averbrook, Co-founder and CEO of Leapgen, Vinny Mirchandani, President of Deal Architect, Inc., alongside Brian Sommer, CEO of TechVentive, Inc. The presentations will take place during the 2020 event to help HR organization leaders fully understand the abilities of HR technology investments, being held June 9 – 11, at Caesars Palace in Las Vegas, Nevada.

The three dynamic keynote speakers will share their experienced perspectives on how to optimize HR tech assets. Averbrook, HR technology expert and future of work luminary, will host the conference's opening keynote and explore smart ways to accelerate business. He'll unpack the four-part equation for digital success and why it's so important for organizations to treat their workforce as far more than human capital assets.

During the event's closing keynote, two of the industry's most sought-after experts, Mirchandani and Sommer, will discuss lessons learned from the last wave of enterprise software, how to evaluate and monitor systems integrators, and the importance of service delivery benchmarks. They'll share tales of failure and success and bring valuable insights into how to optimize HR tech deployment.

"We are thrilled to have some of the most dynamic industry leaders in HR technology joining us to keynote our first ever Select HR Tech conference," said Jeanne Achille, Program Chair, Select HR Tech. "They will bring a variety of insight and inspiration to attendees that will help them thrive when deploying their HR tech initiatives."

In addition to these two highly anticipated keynote presentations, the conference will provide hands-on guidance in a collaborative and professionally facilitated environment focused on attendees' distinct needs including:

- Small group discussions with leading industry analysts and experts.
- Facilitated practical conversations with peers discussing solutions to common pain points.
- Solution provider sessions featuring innovative solutions and lessons learned from real-world implementations led by Sponsors.
- One-on-one meetings with best-in-class solution providers to help develop a tailored approach to unique challenges.

- And more!

### **About Select HR Technology Conference:**

Select HR Tech is a brand-new, immersive roll-up-your-sleeves experience offering HR professionals the opportunity to develop a tailored and detailed plan for their HR technology success through facilitated practical conversations with peers; in-depth masterclasses; small group discussions; collaborative networking; and the opportunity to meet one-on-one with solution providers. For more information, visit [SelectHRTech.com](http://SelectHRTech.com).

### **About *Human Resource Executive*<sup>®</sup>**

*Human Resource Executive*<sup>®</sup> was established in 1987 and continues today as the premier publication and website focused on strategic issues in HR. Written primarily for vice presidents and directors of human resources, HRE provides these key decision-makers with news, profiles of HR visionaries and success stories of HR innovators. Stories cover all areas of human resource management, including talent management, benefits, healthcare training and development, HR information systems, technology, retirement planning and employment law. For more information, visit [HRExecutive.com](http://HRExecutive.com).

### **About the HR Technology Conference & Exposition<sup>®</sup>**

Founded in 1997, the HR Technology Conference is the world's leading event on HR technology covering all the latest trends — Talent Acquisition, Employee Engagement, Diversity & Inclusion, Big Data and more! From strategy and selection to post-implementation, HR Tech is a pivotal stop for all organizations on their HR journey. Featuring more than 75 presentations delivered by senior executives from leading organizations, HR Tech never sells speaking slots, resulting in a high-caliber learning experience with real-world lessons and practical takeaways.

HR Tech annually attracts industry experts, thought leaders, software vendors, senior HR executives, HR generalists, HR systems leaders, IT innovators and more. The show is also home to the annual Women in HR Technology Summit, which empowers women within HR and HR technology to grow personally and professionally. Additionally, HR Tech Conference hosts the world's largest expo of HR technology products and services — a number of vendors even choose to announce their latest products for the first time at the conference. There is no better place to touch, compare and contrast the latest solutions from leading vendors in every category, as well as start-ups. For more information, visit [HRTechConference.com](http://HRTechConference.com).
